

**Aim :** To promote Tourism and Hospitality Studies (THS) and introduce the related further studies or work options; to allow THS students to share their learning outcomes and to reinforce their knowledge through practice.

**Brief introduction of the event :** The “Tourism and Hospitality Studies Day” will last for three days. All students and teachers are welcome to participate. Participants will first visit the exhibition area and get “drink voucher” and “gift voucher” after finishing the appointed interactive / quiz games. Participants can use the “drink voucher” in L Café to enjoy a free special drink, they can also exchange tokens in the game area with the “gift voucher” and get exquisite travel-related gifts from the gift clipping machine.

**Related Topics :** Introduction to “Tourism”, “Hospitality” and “Geographical Attractions”

**Before and After the event day ( Parts will be conducted in class ) :**

1. Equip students with the related subject knowledge ;
2. Form 4 THS students will be responsible for planning the exhibition area and booth activities according to the content of THS
3. Form 5 THS students will be responsible for learning the knowledge and skills of making drinks with the professional expert who is working in the field. Students will know more about the job and design the drinks menu for the event day.
4. After the event, students will review the experience and reflect what they have learnt, including self-understanding, application of subject knowledge and future planning etc.
