

My E-lesson

Module 1: Personal Interests Development

Extended Activity①- Interest Search

Name: _____

Class: _____

Interview and collect the details of the interests from six classmates, friends, teachers or family members. Record them in the worksheet.

Share your findings in class and complete the 'Encyclopedia of Hobbies'.

	Name/Title (Relationship)	Introduction to His/Her Interest	His/Her Experiences/Feelings/Gains while Developing the Interests
E.g.:	Janice (classmate)	Making desserts (Baking cakes and cookies during the weekends or school holidays, taking photos and uploading them to the website, also sharing them with family)	Although it would be unsuccessful sometimes, the end product and happiness from sharing it with family and friends is still anticipated each time.
